The Greater Harrison Public Service District will adjust sewer accounts once per calendar year for filling of pools, upon completion of the application. Final determination to your qualification for this adjustment will be made ASAP. Adjustments will only be processed for fillings between April 15<sup>th</sup> & June 30<sup>th</sup> of each calendar year. In the event that a failure would happen, causing the pool to be filled a second time, proof of said problem must be given for a second adjustment to be considered. Yearly renewal of this application is required.
